

Propane Burnisher

PB24

IPC Eagle

24" Propane Burnisher

The PB24 no-nonsense design was built with the contractor in mind and is an unsurpassed value due to its simplicity of design and productivity. With fewer parts and longer service intervals, the machine's design minimizes field problems and expensive downtime.

Dependability and ease of operation make this high speed floor care equipment a must for the growing Building Service Contractor or in-house professional.
